

## Word of the Week for May 17, 2009

What a privilege it is for us to host the Zebra Strings!! This is one of the greatest programs our school district has to offer, and I am excited they will be with us for worship today. It is so refreshing to see the smiles on the children's faces as they play their violins . . . knowing that their hard work and dedication has paid off.

The Strings will be traveling this week to perform in Branson, one of the performance capitals of America. So keep them in your prayers as they travel and represent Grandview well.

Kids and Parents! Thanks for being here today and sharing your gifts and children with us. We are so proud of you!

Have a great week!
