

Word of the Week

What a great start 2010 is off to for our church family! We have focused on the significance of God's Word, prayer and today tithing. I hope we all are taking the challenges seriously and living them out in our daily lives.

I was so encouraged this week when Nina Sikes came to my office and expressed a desire to begin praying during the 11:00 service. This is something I have felt has been needed for a couple of years now, and I am so excited to see someone led to this ministry. Perhaps you have been led in this direction as well and want to be a part of it. I encourage you to see Nina and find out how to get involved!

I hope you have a great week!
