

Word of the Week

This next weekend is going to be one of “those” weekends in the life of FBC Grandview! I love D-Now weekend and have ever since I got into ministry. It just energizes the church family in a way that few events can. I hope you have been and will make this weekend a top priority of prayer in the coming week!

On another quick note, I want to encourage you to be praying for the FBC Temple (our former pastor Martin Knox is the pastor) as well as the other churches across our state that have fallen victim to fires over the past couple of weeks. I am reminded that the church is the people and not a building!

I hope you have a great week!
