

Word of the Week

It is hard to believe Easter is just around the corner. This morning we will begin a series that will look at Easter through the eyes of several different characters involved in the Resurrection story. I am excited about this series, and I hope you will make the next few weeks a priority for your family to be in worship.

I also want to take a moment to remind you to get your tickets in the church office for the Passover meal we will be having on the evening of March 28th. This is going to be an awesome time for us as a church family and you won't want to miss out!

I hope you have a great week!
