

Word of the Week

I am in a Thank You mood today. I believe so often we all get so busy in the things we are responsible for in the life of the church that we miss out on things going on around us. I want to simply take some time this morning to say, "Thank you to everyone who helps make FBC what it is."

A church cannot function without volunteers—from teachers, to committee members, to fix it up folks, to prayer warriors, to sound and video guys, to . . . on and on I could go! So today I just want to say, "THANKS! You all are wonderful and I so appreciate all the things you do around here!"

I hope you have a great week!
