

Word of the Week

This is a wonderful time for some and a difficult time for others! Graduation comes with so many emotions. From moms who are sad seeing their babies take flight, to friends who being separated by college and job opportunities, to graduates who can't wait to move on... emotions abound!

For us as a church family it is a day of celebration and hope! We celebrate your great accomplishments and hope and pray the foundation we have given you will hold firm in a world that is decaying around us! Congratulations graduates and families! We are proud of you. We want you to know we will always be here for you when you need us!

I hope you have a great week!
