

Word of the Week

What a week it has been! We have said “goodbye” to a lot of things this past week. We said “goodbye” to Daniel and Erica, we said “goodbye” to another school year, and we said goodbye to another Children’s Day Out year. For many it has been an emotional week, but it has been a good week.

Now it is time to say “hello” to summer! It is also time to say “hello” to a potential new Student Minister (next weekend), to summer camps, to mission trips, to Vacation Bible School, and vacations. To celebrate the new season we are going to have a churchwide kickoff this Wednesday night at 6:00. The church will provide hamburgers and hot dogs, and we are asking you to bring side dishes and homemade ice cream.

Make a point to be here to say “hello” to summer! It is going to be a great summer at FBC, and I hope it is for you and your family as well!

Have a great week!
