

## Word of the Week

Summer is officially here! With summer comes a week of Super Summer for our leadership students as well as Vacation Bible School soon to follow. I hope you will keep Les, me and the students attending Super Summer in your prayers!

Next Sunday at 6:00pm Vacation Bible School officially kicks off here at FBC! Saddle Ridge Ranch will be a great time of fun, crafts, and Bible study for the children of our community! I love VBS week because it is an opportunity for the children to hear about Christ, but it is also incredible to watch the church family grow closer together and get to know people they might not already know. If you have never been involved in VBS, you are missing out. Show up next Sunday night at 6:30, and I guarantee you there will be something for you to do to help out!

I hope you have a great week!
